

On the Right Track

APRIL 2017

It has been quite some time since we published our last newsletter. Our previous editor, Allan Lees has retired from the position and we require someone to take on this important role. We are also desperately looking for our club members to make an active contribution by way of articles and photographs. The newsletter relies on the support of members to enable it to continue publication.

The format of the newsletter has been changed to include a new header design and to reflect a more upmarket two-column layout. Your comments are welcome.

SWAPMEET

The club will be holding the first of its two swap meets for 2017 at the Uniting Church, Hillier Road Morphett Vale on Friday 21st. April from 7:30pm. A total of 22 tables have been booked and the meet should be very well attended. The next swap meet will be scheduled for November. Details to be confirmed.

FUND RAISING

Apart from membership subscriptions, the major sources of fundraising are:
Saturday Sausage Sizzle Barbeques
Revenue from Swap Meets and Exhibitions.

The club also has some quality merchandise for sale. Club Logo pens and Computer Mouse Pads. Pens \$8.00 and Mouse Pads \$10.00.

The operating expenses of the club are quite high in terms of the various bills that we need to pay. Extra revenue that we can raise, provides for on-going maintenance and development of our existing layouts and, also the ability to develop new layouts.

The facilities that are made available to club members rely on our ability to raise funds.

Additional volunteers for the Sausage Sizzles and other club activities are always welcome.

Become an active member of the team. Enjoy the comradeship and the overall social experience and satisfaction when we are able to display the various aspects of our hobby to other people with a sense of pride and achievement.

TRADE SUPPORTERS OF THE CLUB

The following suppliers provide continuing support for the club's activities. Please use their services when you can.

END OF THE LINE HOBBIES

Unfortunately, they will be closing in mid-June due to retirement of the business owners. Over the years, they have supplied discounts to club members and commensurate support by way of purchase coupons for the use of the club. The accumulated coupons have now been expended by the purchase of people for use on both the main layout and Lakeside.

They are currently offering discounts of 25% on all stock to clear it before their closure.

Payment can be made by Visa Card, Master Card, EFTPOS and good old fashioned cash!
