## LAYOUT DEVELOPMENTS

Lakeside extension is proceeding a quite a rapid rate. John Cutler and his assistants are well involved in the wiring side of things.

Track has been laid and the weathering of rail edges has been carried out. The creation of scenery is about to commence.

**A great effort by all of those involved in the work!**

## FUND RAISING

Apart from membership subscriptions, the major sources of fundraising are:  
the occasional Bunnings Sausage Sizzle and Revenue from Swap Meets and Exhibitions. The weekly dibs help with some of the minor expenses.

Remember, if you can assist in volunteering for some of these club activities it helps to make the club a better place and eases some of the pressure on those members who contribute on a continual basis.

**The club also has some quality merchandise for sale. Club Logo pens and Computer Mouse Pads. Pens \$4.00 and Mouse Pads \$6.00.**

## VIDEO LIBRARY

The efforts of former club member Vic Tilling in providing a great selection of videos that show both of our layouts are greatly appreciated.

A selection is displayed on the club Web Site.

Vic also has his own Web Site

[www.videowombat.net](http://www.videowombat.net)

This site provides links to Vic's YouTube videos of both model railways and general Train videos.

Donald Davidson, one of our original members passed away on the 5th. September 2019.

In the earlier days of the Club's existence, Donald purchased a small layout from David Jones department store and donated it to the club for use in our earlier exhibitions.

Although the layout has since gone we are appreciative of the support given to us by Donald at that time.
