LAYOUT DEVELOPMENTS

MAIN LAYOUT

Refurbishment is continuing.

Excellent work by all club members involved.

LAKESIDE

This layout is in high use by all members who prefer to run DCC and is operating reliably.

FUND RAISING

The weekly dibs help with some of the minor expenses.

The club has recommenced the running of swap meets.

The Swap meet held in April had 17 tables plus 3 club tables. Visitor numbers were down when compared to last November 2021 event (68 through the door). The club still made a good return.

Many thanks to all members for assisting on the day.

VIDEO LIBRARY

The efforts of former club member Vic Tilling in providing a great selection of videos that show both of our layouts are greatly appreciated.

A selection is displayed in the club Galleries.

TRADE SUPPORTERS OF THE CLUB

The following suppliers provide continuing support for the club's activities. Please use their services when you can.

Drakes Foodland Community Dollars Tokens

Are you still using your Drakes Foodland Community Dollars token? Using the token at any Drakes Foodland store builds funds onto a gift card for the club: the more that you use the token, the more valuable is the gift card... See Jeff Kohler, AKA Frosty, if you do not have one.

CLUB NEWSLETTER

All members are invited to contribute to the publication of the monthly newsletter. If you have any items that you think will be of interest to the membership, please provide the details to the Secretary or any other committee member.

It is difficult to produce the newsletter if there is no support by way of contributions.

Please send your contributions to email:

newsletter@noarlungarail.com

GENERAL INFORMATION

With the easing of SA Government Covid 19 Restrictions the club is no longer required to have a Covid 19 action plan. There is no requirement to sign in with the SA government application.

As a large number of our members are in the vulnerable categories the committee has elected to continue with the 1.5 metre distancing rules and other precautions to provide the best level of protection for our members.

Hand sanitising facilities are still available. If you use club supplied hand controllers these must be signed out against your name and then a committee member must register the return at the completion of your use. All controllers are to be sanitised after use before being returned to the store.

Please abide by the distancing rules and ensure that all other general hygiene precautions are followed.

To assist with Club Applications for grant money.

The club committee is trying to keep track of the club attendances.

To assist with this effort, it would be greatly appreciated if you can print your surname and 1st. initial on the diary sign-in sheet.

Thank you.

buildings, kits, cars, books etc.
- Cost: Admission \$4.00
Light Refreshments available
- Sellers: \$25 per table, size 1800x750mm
Maximum two persons per table
- Bookings and information:
Email: admin@noarlungarail.com
Club Phone: 83227047 (101 messages)
Post: PO Box 707, Morphett Vale, S. A.5162
- COVID Regulations will apply**

The club will be exhibiting Lakeside.

All trains to be used are to be approved by John Cutler and Denis Woolard. We wish to avoid the situation (I found this box under my bed, I think that they may run OK) that we have had previously.

Members wishing to run need to be familiar with all panels and switches on Lakeside during May.

A rolling roster has been created to avoid problems in the change-over of operators.

Lakeside will be dismantled on Thursday 2 June for maintenance and cleaning.

CLUB NEWS

Tuesday 10th. May 2022 marked a milestone for the club. Following receipt of a government grant, electrical heating has now been installed in the clubrooms. The recent onset of colder weather has proven the worth of this investment. It is now very comfortable on those days when the temperature has fallen to the normal winter levels.

Club membership is on the increase. We now have ----- active members.
